

I made inquiries today to find out why there was no public address system in operation at Yoemen field last night. Here is what I found. Several months ago the Superintendent of the schools purchased a public address system and paid for it out of the cap and gown fund. Several years ago the School Board purchased caps and gowns to be used by Seniors and each year the graduate pays an exorbitant sum for the use of the caps and gowns and the profits have been accumulating. When a member of the School Board found out that the system and been purchased he asked where the money came from and who bought it. He was told that the Board had nothing to do with it, that the Superintendent was responsible. The Board member took the view that any matter involving funds should be known to the Board and the old contract for the purchase of the caps and gowns was dug up and found to be signed "Yoe High School, by T. A. Fisher, Superintendent." The School Board, then in session, sustained the position of this member and in addition voted to prohibit all commercial advertising over any public address system owned by the school. The Superintendent, after he had purchased this address system, made a contract of which the Board had no knowledge, with a cafe and a soft drink bottler, out of which funds were to be raised to pay for the system.

When the School Board voted to deny commercial advertising at football games over the public address system, the fat was in the fire. The Board took the position that if one merchant used the system all merchants might use it and the result is all advertising was barred. On Thursday night the Athletic Council, according to meager details reaching me, struggled and fussed far into the night over whether a public address system could be made available for the convenience of the people at the football games. The customary argument continued through the next day. The School Board has not denied the use of the system at the Athletic field nor has it authorized the use of the system. So it appears that again as has been the case through several years of miserable obstinacy, the kind of co-operation our community should have has been denied. Any reasonable set up between existing agencies in a school system in any fair minded, reasonable community, would never have brought about such a thing. There would have been unity of purpose, the spirit of friendly co-operation, and every selfish dominion would have been blotted out of the picture.

As it is we have a spectacle which could be possible only in Cameron, Texas. Imagine a public address system in Belton, Caldwell, Rockdale, or any other community not being made available for public use at a football game which attracts the most cosmopolitan audience in the world. The grievance is not against the lack of proper facilities at a football game so much as it is against a continued operation of the "Society of the Tooth and the Claw" transplanting its assortment of bad livers into the decorum of civic righteousness.

Mr. and Mrs. John Public, who bring the sheaves to the gate, enjoy the game better when they can hear Junior's name called out even though he has lost a couple of teeth in making a yard and a half at right tackle. Are we to understand that broadcasting facilities are to be contingent upon the selfish intervention of commerce? If so, if we believe that a public address system is essential to proper enjoyment of football, let each one present himself at the gate with an empty bottle showing how he has conducted himself in the matter of consumption.

If there is virtue in patience then Cameron is ready for the millennium.

**ATTENDING CONFERENCE**

The following from Gause were in Cameron Thursday attending the Methodist Missionary Society conference: Mr. and Mrs. Allen Varner, Mrs. J. W. Partridge, Mrs. O. L. Harlan, Mrs. P. H. Thomas.

## Robert Todd, 90 Spends Day Greeting Relatives at Home

90 years, all of them crowded with swiftly moving events, were celebrated Thursday afternoon by Robert Todd at his home in Cameron.

More than 75 relatives from over the state spent the day and open house was held in the afternoon for friends with refreshments and visits.

Mr. Todd received many telegrams and gifts on his anniversary. He enjoys good health and retains a bright memory of all the things that have happened in this section, for he has lived here in Milam county 82 years.

Mr. Todd is a native of Georgia. He came to Milam county with his parents when he was 8 years old and has lived here continuously. His father, John Todd, was a graduate of Wakeforest College in North Carolina. He taught school in Texas and became a lawyer.

Mr. Todd as a young man saw much of the colorful cattle trails that led up to the rails in Missouri and Kansas. He was one of the few men now living who followed Jess Chisholm in that famous advance with cattle herds to the markets brought in by the railroads.

Mr. Todd served this county as Sheriff and as County Treasurer. He spends much of his time at home now, delighting friends and visitors with stories of early days. Few men can tell a story better.

Mrs. Todd is a native of Alabama and was Ella Delphine Evans. She came to Texas when she was 11 years old.

## State Fights Effort To Renew Beer Permit At The Silver Grill

Jack Owings, owner and operator of the Silver Grill, was in court Friday morning on a hearing to bar him from obtaining a renewal of his license to sell beer.

Meade Miller, operative for the Liquor Control Board was one of the witnesses for the state, represented by District Attorney W. A. (Bill) Morrison.

Owings is represented by Camp & Camp.

Some days ago the beer license expired. Owings did not renew until several days after and found that he had to make a new application the same as all beginners in the business. The state is resisting renewal of the beer license.

Owings obtained lawyers for the hearing to attempt to prove he is entitled to the license. The Liquor Control Board refused to renew the license based on continued fights and trouble at the Grill, one of which occurred recently on a Sunday afternoon.

Several ministers were in the court room watching proceedings. Also a number of laymen.

The hearing was being conducted before Judge Jeff T. Kemp of county court.

## MRS. SALLIE LOCHABY DIES IN SAN ANGELO

Mrs. Sallie Lochaby, former resident here, died at her home in San Angelo Sunday night, September 21st, 1941.

News of the death of Mrs. Lochaby reached Cameron early Monday morning.

It was understood she had been ill for some time.

She was a sister of Mayor Chas. C. Smith of Cameron; also Mrs. C. C. Walden, W. C. Smith, Otto Smith, all of Cameron and Bud Smith of Gause.

Funeral services were to be held in San Angelo Tuesday with interment in that city.

**W. D. Bigbee Leaving Cameron Tuesday for Nicaragua Air Job**

W. D. Bigbee, former county engineer and of late on government projects in Texas, has accepted a position with Pan-American Airways and will leave Cameron Tuesday for Brownsville where he will take a plane for Nicaragua.

Mr. Bigbee does not know what his address will be but will read the Herald while in that country.

Mrs. Bigbee will accompany him to Brownsville and return. They will drive through in their car.

## MRS. LILLIAN SNEED DIES IN GEORGETOWN

(From Tuesday's Daily)

Mrs. Lillian B. Sneed, widow of the late J. T. Sneed, Sr., died at her home in Georgetown Monday evening, September 22, 1941.

Mrs. Sneed prior to her marriage, was Lillian Beal. She was born and reared at what is now known as the old Beal homestead near Jones Prairie. She was the daughter of the late Mr. and Mrs. John Beal who were pioneer settlers in Milam county. Mrs. Sneed was owner of extensive farm and ranch properties in Central and West Texas.

Survivors besides several nephews, nieces, grand children and other relatives, are one stepson, John Beal Sneed of Dallas and a step daughter Mrs. Terry Thompson of Amarillo, and one brother H. D. (Nick) Beal of Big Springs.

Her father, John Beal, was Sheriff of Milam county, appointed by Mirabeau B. Lamar, President of the Republic of Texas before the state became a part of the union.

Dan Tyson, city secretary and treasurer, is a nephew. Funeral services will be held sometime Wednesday in Georgetown.

Mr. Tyson and others here will attend.

## EARLY PIONEER HERE SUCCEUMBS AT 87

(From Tuesday's Daily)

Thomas G. Sampson, 87, widely known citizen and early day Texan died at his home at 10 p. m. Monday, September 22, 1941.

He was a native born citizen of Cameron and oldest inhabitant then living who was born in the city. He will be buried on his birthday, Wednesday, September 24th, 1941.

Mr. Sampson was born in Cameron September 24th, 1854. His father was native of Mississippi and came to Milam county and settled at Cameron more than a decade before the Civil War. The era was that in which Texas had shortly been made a part of the union and was still under the influence of the revolution in which General Sam Houston liberated the empire from the domination of Mexico.

Mr. Sampson had been in declining health for a number of years. Recently he suffered injuries from a fall which was the immediate cause of his failure. His condition became critical late last week. He lived in a modest home and with him was his son Jim Sampson who was a source of great comfort during his last days of fatal illness and for the past 10 years or more.

Funeral services were announced for Wednesday, the time to be known upon word from a son Fred F. Sampson who lives in New York.

The body was at the Coleman Funeral Home Chapel until 1 p. m. Tuesday when it was taken to the Sampson Home. Sometime Wednesday the funeral will be held with the Coleman Funeral Home directing arrangements.

It was not known whether interment will be made in the McCown Cemetery near the Lamkin plantation home east of the river or in Oak Hill Cemetery. Mrs. Sampson, who preceded her husband in death years ago, was the former Miss Pinkie McCown.

Mr. Sampson is survived by three children as follows: Jim Sampson and Mrs. E. L. Taylor of Cameron, and Fred F. Sampson, a New York business man.

Mr. Sampson was one of the founders of the Citizens National Bank. Along with the late J. T. Sneed he

## YOEMEN TO CALDWELL FOR NIGHT GAME FRIDAY

The Yoemen go to Caldwell Friday night for their second game of the season.

This is one of three important games in the District and while not a headliner will go far to determine how the team is coming along.

Right now Killen looks like the team to beat in this district. Killen's Kangaroos jumped into the middle of things last Friday night with a 31 to 0 win over Lampassas Badgers, while the Belton Tigers under Bob Saffley were polishing off the Temple reserves 41 to 7.

Killen has 11 letter men backed by Bishop who was the best fullback in the conference last year but spent most of the time on the bench from injuries.

The game in Belton between Lampassas and the Tigers will prove a valuable comparison between Killen and Belton.

Granger defeated Cameron in a pre-season game. Friday night Granger and Killen meet for their second game each this season.

The game will prove nothing except how Killen and Belton compare because the Kangaroos already have defeated Lampassas.

Cameron goes to Caldwell to meet the Hornets in their annual game. Rockdale Tigers last Friday night beat the Hornets 12 to 6. The Tigers got in a couple of quick touchdowns and gave promise of being the aerial circus of the District this year.

The Yoemen should defeat Caldwell. They have come through the week without injuries. Last Friday they took the McGregor Bulldogs by a score of 20 to 0. It was a poor game and proved nothing except the Bulldogs are a Class C vehicle this year.

On paper and from past performance the Yoemen should win over the Hornets but the game is in Caldwell and anything can happen in a football game.

The Taylor Ducks go to Lockhart.

## Schiller Washing Machine Sales Move

Schiller Washing Machine Sales have occupied new quarters in the building adjoining the B & B Studio.

Mr. Schiller has for several years occupied space in the building with the B & B Studio. In moving to the new building he has provided greater floor space and displays can now be made with greater effect. Mr. Schiller is displaying a great number of machines, featuring Norge electric refrigerators.

The business has expanded and greater space is now necessary. Mr. Schiller extends an invitation to visit his new show rooms.

## SECOND SOVIET CITY WILL SOON BE TAKEN

Leningrad, second Soviet city, was believed to be near capture by the Germans as street fighting was in progress in the city.

Russian civilians, both men and women, were reported to be engaged in hand to hand fighting with the Germans for possession of the city and already fires had been lighted by retreating residents.

At one point the Germans were reported driven back 6 miles from Leningrad and on Wednesday the Russians broke up another attempt to capture Murmansk.

American ships and those of the British are apt to use the port at Murmansk for the landing of supplies and the Germans are anxious to take away that Arctic port to isolate the Russians from outside commerce. The city of Leningrad is in the Baltic and in the old days was known as St. Petersburg, the capital of all the Russias.

The British announced that they had sent tanks and air planes to Russia, and they are now ready to be engaged in the battle against the Germans. More help was promised for the Russians but the traditional British slowness means that no help at all will arrive because the Germans will have captured Leningrad and perhaps thrown back the entire army to Moscow.

If predictions come true Hitler will offer peace when Leningrad is captured. The German line will run from the Baltic through the Ukraine to Kiev.

The Germans today opened a campaign to capture Crimea and little was known about the defenses of Sebastopol on the Black Sea.

In Washington another so-called peak crisis was developing. We have had any number of them. This time it is the repeal of the neutrality law.

Secretary of State, Cordell Hull, expressed surprise that Hitler would take no responsibility for millions of people in Europe whom he has conquered and whom he now refuses to feed. Sappy America will undertake the job of feeding the world, no matter if our own people are starving to death.

The Royal Air Force has again bombed the French Coast.

## MRS. H. L. ATKINSON DIES HERE TUESDAY

Mrs. H. L. Atkinson of Maysfield died early Tuesday, September 23, 1941, at the Cameron Hospital where her condition had been reported as critical for more than a week.

Mrs. Atkinson recently contracted influenza and from this illness a series of complications ensued which culminated in her fatal illness on Tuesday.

Funeral services will be held from the First Presbyterian Church in Maysfield Wednesday, September 24, with Rev. H. M. Bailey, Pastor, officiating. Interment will be made in historical Little River Cemetery.

Mrs. Atkinson is survived by her husband, Hubert L. Atkinson of Maysfield, one son Elliot Atkinson of Eldorado, Arkansas, and three daughters: Mrs. R. L. Spann of Dallas, Miss Mary Virginia Atkinson of Huntsville, and Miss Harriett Atkinson of Maysfield. Also four sisters as follows: Miss Amelia Williams of Austin, Mrs. L. K. Smoot of Austin, Mrs. George Peets of Maysfield and Mrs. Andrew Freeman of Austin.

The death of Mrs. Atkinson came with severe shock to hundreds of friends throughout the city as well as in her home community of Maysfield where she was born and reared. Before her marriage she was Miss Williams and from a pioneer family of that community. Mr. Atkinson is a large plantation owner and a stock man at Maysfield.

Mrs. Atkinson was prominent in club work and was a member of the Delphian Society in Cameron and President of the Woman's Auxiliary

## 1942 CHEVROLET HERE FRIDAY SEPTEMBER 26

Motorists of this community who have awaited the leader's offering for 1942, will be able to get their first glimpse of the new 1942 Chevrolet at the Grabein Chevrolet Company, September 26th. R. G. Grabein, owner, announced today.

The new line is said to be the smartest ever produced by the national automotive sales leader, incorporating a host of improvements over the previous models. New styling details mark the car as one of the smartest of the year, while the same careful engineering and quality production assure every owner a sturdy car, superior in many ways to the highly successful Chevrolet offered in 1941.

Incorporation in the new model of any late developments in style and design fields means additional value to the motorist. Mr. Grabein pointed out. Unusual operating economy, exceptional roominess and comfort, and new conveniences for driver and passengers alike are claimed by Chevrolet engineers.

The first showing of the new model will open at nine o'clock, and "open house" will be held throughout the day as local motorists inspect the new year's offering.

## Bad Roads Contributed to Failure of Military Airport Here; Opportunity Now Definitely Gone

Georgetown won out over Cameron and cinched the military airport largely because Cameron has no standard state highways capable of accommodating modern traffic.

The road situation was not altogether responsible for the loss of the military airport but it was a contributing factor. The Herald has learned this on good authority.

The Herald also understands that the War Department agreed to recommend a site near Belmena but water was not available. The cost of supplying water would have involved a possible expenditure of \$100,000.

Cameron is definitely out of the running so far as the airport is concerned.

Georgetown is located on Highway 88 and is receiving each year adequate appropriations for up to standard traffic facilities.

Cameron, located on Highway 77 and Highway 36 receives nothing. Highways 77 and 36 are among the finest in the state until they reach the county line. Fortunately for the obvious plan of discrimination they feed 88 and 69 and that throws all traffic away from Cameron.

## HURRICANE VEERS TO LOUISIANA BODRER

The Gulf Coast hurricane, reported Tuesday night to be passing inland at Freeport did a sudden about face and swept eastward through East Texas and Louisiana.

Houston was in the path of the storm and reports from that city shortly after noon said preliminary damages estimated to the city alone would reach almost a million dollars.

Rice farmers in the vicinity of Houston and the Gulf coast will sustain a loss of two million dollars.

Sixteen truck loads of plate glass were scooped up in the metropolitan business area of Houston.

No loss of life was reported but it was understood three had lost their lives in Texas City 50 miles from Houston.

The storm was heading northeast for Louisiana and Shreveport was reported in the path of the winds.

The clouds lifted in Cameron early Wednesday and at 10 a. m. a vast section of East Texas was under sunshine.

There were no reports to indicate damage in the new path of the hurricane but it was believed the storm had spent its strength and might not be severe enough to cause disaster.

The wind in Houston was reported to have reached a speed of 90 miles per hour.

## 6 Convictions; No Suspended Sentences

Six convictions without a suspended sentence had operated in District Court to reverse an epidemic of lax of law enforcement in Milam county.

Although the officers worked hard in these cases they give credit to a fine jury and jurors for sustaining society on complaints and indictments against five men, all of whom have gone or may soon go to Texas Prison.

District Attorney Bill Morrison was well gratified over victories in these cases and the fact that five men have been convicted without a suspended sentence was pointed out to the press because recent criticisms have been printed of jurors for suspended sentences, one being a kidnapping case.

The following cases were tried in District Court with the results noted: Albert Filmore, two years for burglary; Burnie McDonald, two years for burglary; Jack Webber, two years for theft; Thomas Mowdy, two years for forgery and Gene Nelson, two years for forgery.

## Free Roping Tonight At Rodeo Arena Here

The first of a series of weekly roping contest will be held tonight, Thursday, September 25th at the Park Arena, it was announced Thursday morning by Make McDermott, publicity director for the Roping Club.

The program will be free. Last Sunday afternoon the program was witnessed by a large crowd.

## Bad Roads Contributed to Failure of Military Airport Here; Opportunity Now Definitely Gone

It is good politics to talk about saving money and reducing the tax rate but it is quite another thing in this modern day of traffic demands. A town may become a mere village on tax economy, or it may become a city on measuring up to opportunities.

A member of the committee on the Airport told the Herald that Cameron has fared so badly at the hands of the Highway Commission that lack of better type roads cost us heavily in the matter of the air port.

Waco was favored, Georgetown was favored, San Marcos was favored, because they have good roads.

Next July the people will be asked to vote for state officials. It might be well to get off the sucker list. By uniting to save our property and our city, we could do better. The issue is plain. The harm has been done.

Our legislative representation has not been effective as it might have been, either state or national. If a representative gets somebody a job he ties up the vote. The business man who asks nothing is paying the bill. It must not continue.

### BASKIN-ALEXANDER

Gordon Baskin and Mrs. Jackie Alexander were married Saturday at 5 p. m. at the First Methodist Church of Cameron with Rev. Mills, Pastor of the Church, performing the ceremony and Mrs. J. L. Clinton playing the wedding marches.

The church was decorated with many beautiful flowers. On either side of the altar were tall flower baskets filled with huge bronze chrysanthemums. The church was lighted with candles. The couple entered from the back of the church together. Jim Baskin of Austin, brother of the groom, attended as usher. Only a few friends and relatives attended.

The bride wore a tailored blue suit with the jacket fitting tight around the waist and buttoned with gold buttons. She wore a gold blouse and other accessories were brown. She wore a shoulder corsage of roses. For something old and borrowed she wore a gold pin fastened at the neck of her blouse, belonging to Mrs. R. B. Rylander. The groom was dressed in gray.

After the ceremony the couple left for a wedding trip to New Orleans to remain until the latter part of this week, then they will be in Cameron where they will make their home.

Mr. Richard, President of the Duke & Ayres Stores, is in Cameron on business today.

A delegation of Odd Fellows and Rebeccas will attend the inter-city meet tonight at Taylor.

## Judge Kemp and Court Pleased Over Bond Bill Passed in Austin

Judge Jeff T. Kemp expressed satisfaction Friday over the passage of the compromise bond assumption law by the Texas Legislature.

If you can't get a whole loaf, take a half, has always been a good policy, so the counties of Texas are to get half of the surplus in the bond servicing fund. The other half is to go to the Texas Highway Department for rural construction.

As gas revenues increase the amount received in Milam county will increase.

Senator Kyle Vick, Representative Henry G. Lehman and Representative A. N. Green all supported the bill to service the bonds.

### YWA MEETING

The YWA held its regular meeting Thursday evening at 8 o'clock in the home of Miss Mildred Thornton.

**... who-o-o, me?**

Here's how to make the boys look on you as a wise old owl. Whenever you are asked if you prefer some other liquid refreshment to Grand Prize, put on that surprised look, and say, "Who-o-o, me?" Then give out with those words of wisdom, "Serve Grand Prize, it's grand-tastin' beer." You can then sit back with satisfaction and listen to their exclamations of delight as they sip those tall glassfuls of golden clear ambrosia and ease into a mellow mood.

For taste satisfying goodness, this grand-tastin' beer is unsurpassed, regardless of price. Grand Prize is undeniably smooth and mellow. If you have not yet enjoyed the palate-pampering flavor of Grand Prize, "wise up" and try a bottle today. Then, introduce your family and friends to the superb goodness of this grand-tastin' brew that has won the acclaim of Texans wherever good beer is sold.

Brigham Young, surveying the barren salt flats that he later saw bloom in fertility, said: "This is the place!" Through the sheer force of his personality he had brought his people through one of history's most trying Exoduses to this desert wasteland. But Brigham Young had foresight as well as courage. He knew that land was all that was needed, that man's industry can do the rest—and this he proved.

## SAMPSON

(Continued from page one)  
took stock in the bank and was active in its direction for a number of years. The late Hilliard F. Smith, was the principal owner of the bank.

In late years Mr. Sampson retired from active business and what time he could spare was devoted to his investments in business and residential property in Cameron.

From the estate of his parents he inherited a large farm but never cared for farming. He sold the estate and came to the city where his investments were made. He was one of the city's largest property owners and was wealthy.

Mr. Sampson by reason of his experience knew intimately the history of this community and a wide area of Central Texas. Few men could talk of the early days with such interesting detail and vivid impressions. Those were stirring times and

as a youth Mr. Sampson saw many of the colorful characters who had a part in the development of Texas.

He often related to friends and especially newspaper men stories of incidents both tragic and amusing. He was born in what is now the City of Cameron. The old home where the Sampsons lived still stands just north of the Santa Fe rails in the eastern portion of the city overlooking Little River bottom. In those days the people had no access to supply stores and often made what they used. Cameron at that time was quite a distilling center and Mr. Sampson had often told of his childhood impressions of wagons hauling away the products of a large distillery which was then located in what is now City Park.

Along about 1860 when A. J. Cooper was Sheriff, Mr. Sampson saw a negro hang in Cameron. The negro was convicted of burning the Scott Grocery which was located on the property of the Bigbee House that was at one time the home Robert McLane. He once told the publisher of the Herald that Cameron in all has had 6 court houses, all various types of structures.

Much of the history, interesting in every detail, will never be written and it is regrettable that the life story of Mr. Sampson has not been preserved as it should because it has to do with the most interesting period in the history of Cameron and Central Texas. The future may someday find recorded much that has never been printed about the men whose strength and foresight made Texas.

Funeral services at the home of Mrs. Taylor was attended by hundreds of citizens, including friends and acquaintances from a wide section of the state. It was a tribute of impressive sincerity as friends of

a life time paid their tribute to a man whose life had spanned so many years.

The Sampson family, prominent for more than a half century in Cameron, has played a leading role in the development of the city. Among the survivors is Fred F. Sampson of New York, a son, who was here for the funeral.

Pall bearers were: H. F. Smith, Frank Monroe, R. H. McIntosh, Grady Little, H. M. Hefley, O. L. Kidd, Wyatt Wolf and A. J. Triggs.

## YOEMEN

(Continued from page one)

The Ducks are the defending champions, only club to win the District three times in a row. Red Harris and his Georgetown Eagles go to Smithville.

Rosebud gets by with an easy one. The Black Panthers entertain the Class B Rogers team.

The Rockdale Tigers have an open date and will likely be on hand for the Caldwell-Yoemen game. The Tigers come to Cameron Friday night October 3rd for their first conference game of the year.

John Hays of the Cameron Athletic Council said the Council, meeting Wednesday night arranged a bus for the Pep Squad to go to Caldwell. This is the first time such a grand gesture has been made for the Pep Squad. The Band will go as usual in private cars. No special train will be run.

## ATKINSON

of the Presbyterian Church at Maysfield.

The funeral hour Wednesday brought hundreds of friends and neighbors from her own community as well as Cameron and other communities to the church at Maysfield where she had worshiped for many years and where her life was a helpful influence.

Rev. Bailey paid an impressive and tender tribute to her amid the silence of an hour all will remember who knew the deceased. Flowers in colorful profusion testified to the esteem in which she was held as friends sought in this way to express their sorrow.

The body was taken to the cemetery at Little River for interment with the Marek-Burns Funeral Home in Cameron directing arrangements.

Pall bearers were: Vaughan Thweatt, William Freeman, Valter White, Mr. Wise, LeRoy Massengale, H. L. Yager, Roy Newton and Jess Holloway. Honorary pall bearers were members of the Women's Auxiliary of the Presbyterian Church at Maysfield.

## BOND SALES

The total bonds sales for the week was \$1,068,75. Cameron led the county with \$975.

The grand total sold to date as reported by Emory B. Camp amounts to \$109,464.75. When these bonds are paid off the owners will get a total of \$130,830.25.

## CHRISTIAN SCIENCE SERVICES

"Reality" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, September 28.

The Golden Text is: "Behold, I create new heavens and a new earth: and the former shall not be remembered, nor come into mind. (Isaiah 65:17.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Grace and peace be multiplied unto you through

the knowledge of God, and of Jesus our Lord, according as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue" (II Peter 1:2, 3.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "All that really exists is the divine Mind and its idea, and in this Mind the entire be-

ing is found harmonious and eternal." (Page 151.)

LONDON THINKS REDS  
IN GRAVE DIFFICULTIES

The armies of Adolph Hitler had penetrated to the sea of Azov Monday in a final victory in the Ukraine.

The city of Kiev has now been admitted to have fallen to the Germans. The spear head of the attack has been thrust to Azov and Crimea has been cut off from Soviet Russia.

Russian prisoners by the thousands are being taken hourly in what the Germans describe as a complete military disaster for the Reds.

The Germans are believed to be making a desperate effort to cut off any attempt on the part of the British and the United States to get supplies to Russia through the Red sea and thus north through Syria.

In London it was said that Russia may not be able to stand up long under these German attacks.

The Germans have launched a great naval war both in the Baltic and in the Black sea and claimed to have sunk a large portion of the Russian navy including a battle ship and a cruiser.

Germany is winning the war. The British have apparently lost all opportunity to fight Germany on land and a London spokesman Monday said that if Russia is beaten no army in the world today will be left to fight Hitler.

On the central front General Timoshenko has launched a terrific offensive to relieve pressure on the Ukraine front as well as at Leningrad.

The United States government is discharging men from the army at the rate of thousands per day. This was taken to indicate that no effort is now being made or will be made to build an army capable of fighting Germany.

The Government is not calling any men to the service and the whole matter of how Mr. Roosevelt expects to achieve victory is a mystery that is rapidly making the American people lose confidence in the brave words that have so often been spoken in the nations capital.

PEACE RUMOR NOW  
COMES FROM JAPAN

The ancient city of Kiev has been encircled by German troops in what was described as a Russian disaster on the eastern end of the great battle line.

In addition to isolating Crimea, the Germans have scored what was declared to be their most signal victory of the war in the threat to Kiev and Odessa.

The Moscow radio admitted the German occupation of a vast area north of the Dnieper River.

In London a military spokesman Admiral Alexander, said that grave disaster may befall the Russians shortly and the Red armies need everything in the way of equipment.

A previous London report said that the Russians had lost three million men and the Germans have lost two million men.

The Russian report describes the battle around Kiev as one of the bloodiest in all history and said the Russians were taking an enormous toll from the Germans.

In the far east the Japanese press voiced the belief that Germany would now offer peace. This was taken to indicate that such a move will shortly be made and there was some concern over prospects that Russia might agree to an armistice.

The failure of the British to do any fighting has contributed largely to the Russian defeats.

A stale mate has been reached at Leningrad, but the Germans were making some advances elsewhere.

## W. W. NANCE

W. W. Nance, 86, who died Friday morning at his home in Ft. Worth was the step father of R. P. Williams of Cameron.

Charges Filed Against  
Bell in Fist Fight

City Marshal, Gene Smith, Friday filed charges against Jess Bell in connection with the first fight in which he engaged with Dave Hemenas on Wednesday afternoon.

Previously Hemenas had paid a fine of \$14 in corporation court.

The men engaged in a fist fight after they had quarreled over government aid to veterans, it was reported to the Herald. The disagreement arose over a difference of opinion and when tempers flared fists filled the air. Both men were bloodied.

Mr. Bell suffered a heart stroke after the fight and was taken to his home in an ambulance.

GOVERNOR STEVENSON  
SAYS TEXAS MAY  
HAVE TWO THANKS DAYS

Governor Coke R. Stevenson said he is seriously considering proclaiming two Thanksgivings this year.

"I have been asked by two different groups to have Thanksgiving on both the third week of November and the fourth week. The teachers of the state, who are planning to hold their convention in Houston during the third week of November, have asked that Thanksgiving be observed then, and the colleges and universities which have big football games planned for the fourth week of November, have asked that the Thursday of that week be set aside for observing Thanksgiving," Governor Stevenson said.

"It is a problem that can only be settled by the voice of the people and I will appreciate it if the people of Texas will let me know which of the two they prefer to observe," he said.

## THE RECORD . . . . . Facts That Concern You

No. 31 of a Series

SOME PEOPLE NEVER LEARN...  
but most of them do!

There are always a few "smart alecks" who want to stand up and rock the boat. But most people try to keep out of trouble.

The same sort of thing happens in the retailing of beer. The great majority of beer retail establishments are clean, law-abiding and wholesome. But occasionally you may find a "smart aleck" retailer who violates the law or permits anti-social conditions.

We of the brewing industry want these anti-social retailers wiped out! Because they imperil your right to drink good beer...and our right to make it.

We want to protect the benefits that beer has brought to Texas—employment for 31,165 persons since relegalization, an annual payroll of \$22,076,182 and taxes of \$2,273,968.64 paid to the state last year.

This state, too, has an important stake in Beer's purchases from over 100 industries supplying the brewing industry with materials, equipment and services.

You can help us in our public-spirited program by (1) patronizing only reputable and legal beer establishments and (2) by reporting any irregularities you may see to the proper authorities.

BEER...a beverage of moderation

### WITH THE BAPTIST

Last Sunday marked another great day in the history of our church as 321 people gathered for Sunday School. And the fine part of it all the most of this crowd stayed for the preaching service. How glad it makes us all feel when we look out and see most of our seats full.

Bro. C. G. Watt brought us two fine messages both morning and night. We want to thank each and every one that came out to these two services.

Another fine thing that happened last Sunday night was the fact that we had out for Training Union 151 How glad that made us feel.

Our Training Union director Carl Cain was so thrilled he almost forgot where he was, we rejoice with him. Keep up the good work Mr. Cain we are all for you a hundred percent.

Tuesday night of this week the Intermediate union met at the church to elect their new officers for the next quarter. A real good crowd turned out.

Thursday night the Co-Workers will have a business meeting at the church, following this business meeting they will have a social hour together. Every one that needs to be in this group is invited.

May we not forget that next Sunday is promotion day.

Bro. Sanders will be back with us Sunday night. Let every every member be on hand to give him a hardy welcome back home.

Be sure and be in Sunday School Sunday morning at 9:45, will be looking for you.

Training union 6:41, be sure and be here.

"Come let us go into the house of the Lord."

### GIRL SCOUT MEETING

At the Girl Scout meeting on Wednesday, September 17th, in the Playroom of the Ada Henderson School the Girl Scouts were introduced to two new leaders, Mrs. Niley Smith, Jr., and Henriem Hefley.

The members present were: Sara Swift, Dallis Green, Kate McLane, Jo Ann McLane, Margaret Horstmann, Martha Black and Hortense Nabours. Sarah Swift is a new member. The next Scout meeting will be on Wednesday, September 24th.

The Brownie leader is Mrs. Bill Burns.

Dr. and Mrs. A. S. Epperson of Houston, spent the week end here and returned to Cameron to attend the funeral of his old time friend, T. G. Sampson, Wednesday.

Richard Ellison of Baileyville was a Cameron business visitor Monday.

## BRITISH PRESS CLAMOR FOR ROME BOMBING

The press of Great Britain was demanding the bombing of Rome in reprisal for the Axis attack on Cairo.

The British indicated last spring when the Germans were cleaning out the Balkans that if Cairo or Athens were bombed that Rome would be attacked by Allied planes.

The British are not apt to bomb Rome. It would not be good politics and besides the moral value of leaving off the Holy City will find lodgement in the hearts of religionists everywhere.

The shame of it is that the Italians are behind this windfall.

There was little war news today. The Russians were scoring new triumphs on the central front but the Germans were taking the Ukraine and isolating Crimea.

The British as usual were doing nothing. Silence as stark as that lingering night Moses laid upon the Valley of Nile, covered Washington. Another crisis will have to be developed to get any action out of the capital, it appeared.

Everything had slowed down except appropriations.

### BILL NEWTON GOES TO NEW YORK FOR CHASE NATIONAL BANK EXAMINATION JOB

Bill Newton, formerly with Citizens National Bank in Cameron, is now in New York to assist other federal bank examiners to check the Chase National Bank.

Bill was named assistant National Bank Examiner, several months ago and friends here learned of his New York visit with interest. The Chase National Bank is the largest bank in the world.

He is the son Mr. and Mrs. W. O. Newton. His father is active vice president of Citizens National Bank in Cameron.

Mrs. Dorothy Mennis left last week for Dallas where she will teach in Southern Methodist University this term.

## Ford Dealers Back From Houston Meet

H. H. Stedman, Ford Dealer in Cameron and Clifton Jenness, salesman were in Houston Monday for a zone meeting of the Ford Motor Co. The occasion was the introduction of the new 1942 models, Ford, Mercury and Lincoln.

The new cars are to be on display here October 3.

Changes in the models give Ford the best car in the history of the company, said Mr. Stedman. The new car is very attractive. Reports that cars would not have bright metal trimmings are greatly in error. The new ones have more than ever.

Mrs. W. W. Frasier of Wichita Falls and son Wallace, who have been staying in California the past two years while the son was attending Stanford University at Palo Alto,

Mrs. Hallie Jones Wofford returned home the first of the week after spending a month with her son Nat B. Wofford in Port Arthur.

## LINE PLAY FEATURES CAMERON'S FIRST GAME

Their strength not revealed, the Yoemen coasted to a 20 to 0 victory over McGregor Friday night in the opening game of the season.

The score might have been larger. Two touchdowns in first quarter and touchdowns in the first quarter and one in the fourth when George Michalka, rookie end, balanced the ball on his little finger, tucked it away to discover he was across the goal.

Bobby Hays, the little tornado, lived up to expectations. He was responsible for a large share of the 178 yards the Yoemen ripped off during the game, scored one of the touchdowns and gave the Bulldogs the fitters overtime he got the ball.

Mack Nicholson, co-captain with Robert Lee Salach, was just about the best defensive back of the night and on blocking assignments lived up to expectations.

McGregor got two first downs while the Yoemen rolled up 17. It was a poor ball game because McGregor did not merit play with the Yoemen. Coach Mitchell's Bulldogs are far away from the form they had in 1940 when they beat the Yoemen badly in McGregor.

The most surprising development of the night was the Yoemen line play. Coach Dick Young has worked wonders with what at first was doubtful material. Homer Terry, James Dycus, Owen Stidham and Big Bob Salach were standouts.

Lee Doy Stecher was brilliant at tackle and Billy Cosby and Darrell Tindall turned in a swell job also.

Hope Eanes, the mighty mite, shared the limelight with his fellow lightweight, Frank Torno. Great things will come of their play this year.

The Yoemen won the toss and elected to defend the east goal.

Hays held while Salach kicked off to McGregor. Poss returned 8 yards tackled by Salach. Poss tried a pass but Hays intercepted returning 5 yards. Phipps who played a steller game took a pass from Hays for 17 yards and a first down. Hays picked up 7 yards around right end. Hays went through center for 5 yards and a first down. The McGregor line was leaking badly. Torno lost a pass from Hays over the goal line. Hays got 9 yards around left end on the next play slipped through center for 11 yards and a touchdown. Horstmann came in for Nicholson to take center while Salach kicked goal. Score: Yoemen 7, McGregor 0.

Nicholson returned to the back field. Salach kicked off to Naler who returned 10 yards, tackled by Terry. McGregor tried a pass off tackle but Stidham stopped the receiver for no gain. On a reverse Naler made a yard. Naler tried a pass but was stopped by Michalka after a one yard gain. Naler lost 2 yards and the ball went over to Cam-

eron. McGregor penalized 5 yards off sides. Hays made 4 yards at right end. Nicholson doing a great job at blocking got 4 yards and a first down carrying the ball for the first time. Hays picked up 11 yards and a first down. Nicholson went through center for 4 and then made 2 off tackle. Wilkinson fumbled on a through tackle and Nicholson recovered for Cameron. Hays passed to Phipps for 10 yards. Phipps was doing some fancy pass snatching. Nicholson made two yards through center. Nicholson then went over for a touchdown. Horstmann came in at center while Salach tried the kick. It was no good and the score was Yoemen 13, McGregor 0.

Torno returned to the game to replace Horstmann. Salach kicked and Naler returned to the 40 as Laywell went in for Terry. Poss passed to Guinn but it was knocked down by Nicholson. Poss was thrown for a 3 yard loss by Stidham. Quarter ends.

### SECOND QUARTER

Dycus replaced Stecher. Cameron was offside. Jenkins passed but it was knocked down by Hays. Poss kicked out on the 36 yard line. Nicholson picked up 1 on a spinner. Wilkinson was stopped for no gain by Gallin as the Cameron line missed tackle. Nicholson got 2 yards and then Mays kicked to Cousins who returned 5 yards, tackled by Salach. Jenkins could not gain, stopped by Salach. Poss quick kicked out on the 48.

Eanes replaced Torno and Horstmann went in for Salach while Stecher went in for Laywell. Hays picked up 10 yards around end, stopped by Poss. Hays went around

left end, was tackled hard and the ball bounced into the hands of Poe for McGregor. On the first play Naler was thrown for 3 yards around end as Haynes went in for Jenkins. Torno replaced Eanes for the Yoemen. Poss picked up 18 yards around left end. Cousins fumbled on the next play and Torno recovered for Cameron. Hays failed to gain at center but on the next play went around right end for 11 yards and a first down. Wheat making the tackle. Hays tried a pass to Phipps but the ball was batted down. Wheat replaced Quinn for McGregor. Hays got 5 yards around left end, Cousins making the tackle. Haynes stopped Hays for a one yard gain. Owen Stidham, big blonde tackle, playing a whale of a game, covered the ball on the 15 yard line as Hays kicked. Salach replaced Horstmann. On the play Poss fumbled and lost 2 yards. Poss faked and tried left end but was thrown for a 2 yard loss by Stidham. Poss then kicked to Torno who fumbled but recovered on the 34 yard line.

Nicholson failed to gain on a spinner and Wilkinson got 2 yards around left end. Wilkinson made 3 yards on a lateral but the ball went over on downs. Cousins faked a pass and tried a right end run but was stopped for no gain by Wilkinson. Score at half; Yoemen 13, McGregor 0.

### THIRD QUARTER

Poss kicked off and then made the tackle stopping Hays after an 8 yard return. Torno on a reverse first down. Wheat stopped Wilkinson for no gain around left end. Torno almost got loose as Cousins came in from the backfield to stop him. Nicholson bucked center for 2

yards. McGregor called time out. Hays kicked to the 27 yard line. Poss picked up 5 around left end, but stepped out of bounds as he appeared loose down the side lines. Hays and Salach both stopped Naler. Poss was stopped for no gain by Nicholson and Stidham. The Bulldogs drew 5 yards for offside. Cousins made a yard and Poss kicked out of bounds on the 44. Eanes replaced Wilkinson. Hays picked up 4 at center, fumbled and then recovered. Hays got 5 more and then Nicholson hit center for 2 and a first down. Eanes went around end for a lateral from Torno that was bad. Eanes was never able to get control of the ball and the Yoemen lost 20 yards when Lafland recovered for McGregor. Poss' pass to Naler was short, Gatlin was hurt but stayed in the game. Eanes came in and threw Naler for a two yard loss. Poss attempted a pass to Cousins but it was knocked down. No. 43 for McGregor replaced Cousins in the backfield. Poss kicked to the 5 yards line. Phipps was hurt on the play but stayed in the game. Hays skirted end for 15 yards and a first down. Hays picked up 7 more and then made it first down with 5. Eanes made a grand catch of Hays' pass and another first down. Hays got 8 at center and then went through for 6 yards and a first down as the quarter ended. Score: Yoemen 13, McGregor 0.

### FOURTH QUARTER

On a double reverse Torno picked up 6 yards around left end. Hays could not find a receiver for his pass. Hays fumbled on the next

play and the ball was recovered by McGregor. Poss passed but Eanes intercepted and ran the ball back 15 yards. Hays made 3 at center and then lost 5. Eanes fumbled on an end sweep and lost 10 yards. Eanes then made a grand catch of Hays' pass for 15 yards but the ball went over to McGregor on downs. Poss kicked to Torno who was stopped for no gain. Hays passed to Phipps who was out in the clear but the pass was short. On the next play Hays found Phipps and it was good for 18 yards. Hays then picked up 8 yards as he imitated Jack Crain. Hays passed to Michalka over the goal but it was incomplete. On the next play Michalka made a sensational one hand catch, turning around to get the ball. It was good for a touchdown and the big thrill of the game. Salach kicked goal as Horstmann came in for center. Score: Yoemen 20; McGregor 0.

Salach kicked off to Naler and

Dycus hit hard on the tackle and Naler was escorted off the field by Coaches Wood and Mitchell. It was a fine gesture on the part of Wood. Poss could not gain at center, stopped by Salach. Jenkins gained 2 at center. Poss threw a pass intended for Cousins as Rettig who had just come into the game intercepted and ran 31 yards. Nicholson got 2 at guard. Torno passed to Eanes who missed and also missed another to Phipps. The ball went over to McGregor on downs. Stidham got a big hand for the game he played as he was replaced by Jackson. Clyde Batte went in for Phipps and Cosby replaced Terry. For the Bulldogs Spradley made 12 yards and Cousins was stopped for no gain by Nicholson. The ball went over to the Yoemen on downs as Spradley failed to gain around left end. Torno went off tackle for no gain as the game ended. Score: Yoemen 20; McGregor 0.

A full day has been planned. A twelve o'clock luncheon will be served by the ladies of the Woodmen Circle Grove of Mart.

### Charges Filed in Street Fight Saturday

Charges were filed against Clyde Copus and Marvin Bell Saturday by the Sheriff's office after the men had engaged in a fight on the sidewalk on South Crockett street.

Copus was found in the street, bleeding. He was revived on the way to the hospital and was taken to the office of a local physician for treatment.

According to information detailed by officers the men met in a local bar and quarreled. Recently both went to South Texas where Copus represented he had a job for Bell but when they arrived there was no job. Bell claimed the expenses of the trip were borne by him and he had been misled about the job.

Saturday when they met they quarreled and both agreed to go to a vacant lot on South Crockett and fight it out. As they reached the sidewalk the fight began. Copus was knocked down and badly blooded.

### COX THORNTON WILL VISIT RELATIVES IN CAMERON

Cox Thornton will leave Denver, Colorado, on September 27 for Fort Sam Houston.

Thornton has been in training at Denver for some time in preparation for advancement in the Medical Corps of the army. He is attached to the Post Medical Detachment at Fort Sam Houston. It will be several days before he can come to Cameron to visit his sister Miss Mildred Thornton and the M. G. Cox family.

A graduate at law from the University of Texas, he was admitted to the bar but like many young patriotic Americans volunteered for service in the army.

### U. S. Warships Sink German Raider?

The London newspapers of Lord Beaverbrook said Friday that American warships have already sunk a German raider.

Newspaper correspondents were unable to get any confirmation on this report in Washington.

local stores from \$3.95.

### CHECK UP ON YOUR LIGHTING Today

Go through your house today ... see if you have enough indirect, non-glaring light for comfortable study for each child. Ask us or any electrical dealer for a sightmeter test of your lighting. There is no obligation for this service.

It Costs So Little to Enjoy a Light-Conditioned Home!

5¢ spent for additional electricity will provide light for reading with a 150-watt floor lamp 45 minutes a day for two weeks.\*

1¢ buys enough additional electricity for 3 hours' use of a 100-watt student lamp, providing Better Light for Better Grades.\*

Light Conditioning benefits the entire family... in every room of the home... at work or play... at low cost.
